37、 Vertical Drum Lifters

One-person Operation saves time, reduces spilling waste, and improves productivity.

Simply attach or hang lifter on hook from an overhead hoist or crane, cinch saddle around drum, and raise to desired height and position.

Lift, transport, and pour from open and closed head drum.

Geared Type. Allows remote pouring operations.

Geared chain control and low effort feature make this model useable at any height.

10-ft control chain can be locked to secure drum in any position during transit and dispensing.
